

Forest of Light

A HOLIDAY DISPLAY FOR ALL TO ENJOY CHURCH GREEN TAUNTON MA

The **Forest of Light** is an enchanting holiday display on the grounds of First Parish Church, located on Taunton's historic Church Green. Featuring dozens of beautiful Christmas trees sponsored and decorated by individuals, families, organizations and businesses, The **Forest of Light** is open free to the public to experience and enjoy throughout the holiday season!

Tree Sponsorship: \$100

How it works:

YOUR TREE: Each Tree Sponsor is assigned a freshly-cut pine tree on display within the *Forest of Light*. Trees are installed by the church in late November.

SPONSOR SIGN: A custom Sponsor Sign acknowledging your generosity is placed next to your tree. You may indicate your desired sign text on the form below.

LIGHTS: Your tree will be pre-lit by the church with beautiful white lights. *For safety reasons, please do not plug in any additional lights or electric decorations.*

DECORATIONS: If you wish, you may add decorations to your tree! Stop by the church grounds any day between November 25 and December 1 to decorate.

ENJOY!: The *Forest of Light* will officially open on December 1 to coincide with Taunton's annual *Lights On! Festival*, and will remain lit until New Year's Day.
